

## Onsite Business English, French and German Language Trainers in Switzerland (m/f/d)

**Onsite Business English, French and German Language Trainers in Switzerland (m/f/d)|Part-time|Limited**

Learnship Networks GmbH is looking for onsite Business English, French and German Language Trainers to deliver onsite courses to our clients in various locations in Switzerland.

Learnship Networks GmbH is a world-wide language learning provider founded in 2008 and headquartered in Cologne, Germany. We specialize in live online instruction for business clients, connecting students and teachers from all over the world through our award-winning platform. Our trainers set their own teaching schedules and work from the convenience of their own homes.

### Your responsibilities

- Lesson preparation
- Delivering lessons to business professionals according to course objectives
- Assigning homework and providing session & course feedback online

### Our ideal candidate

- Native-level fluency in English or French or German, including native-level intonation, accent, and pronunciation
- Foreign Language Teaching Certification(s) and/or University Degree(s)
- Experience teaching English or French or German
- Additional non-teaching professional experience

- Friendly, outgoing personalities

## **We offer**

- Room for professional development via pedagogical and coaching sessions
- Networking opportunities with other teachers, i.e. language tandems and teacher's cafe
- Reduced lesson planning time with direct access to teaching materials
- Competitive hourly rate
- Irregular part-time employment contract

## **We are looking forward to your application!**

Kathrin Weiler,  
Head of Corporate HR, Learnship Networks GmbH
